RE.: For your review

Dear Pierre:

I have just returned from Armenia where we took a business team. I have many things/impressions to share with you. As discussed with Garnik in Yerevan. The attached was faxed to me today in preparation of the Jewellers Assembly. While in Yerevan, I finalized many issues with Garnik in this respect. Will talk more when we meet. Currently, we are hosting a delegation from Armenia, which departs on Tuesday. I am planning to be in Montreal on Thursday and Friday, maybe also on Wednesday. Will call you.

Best Regards,

H
