RE.: For your review. Please comment

Dear Vartkes,

As promised, I am sending you some material on the AJA. Please give me your recommendations.

I spoke with Haig Arslanian, who accepted to become the Honourary President of the AJA.

It was very nice talking to you. I might visit Belgium for a few days this month. I'll call you beforehand.

Best Regards

H

PS: Sorry for the delay in faxing the material.
