BEIRUT,

Dear Mr. KASPAR,

Further to our very interesting telephone conversation the other day; I like to, "almost", confirm my intention to participate in this event. As I mentioned over the phone, THE HONG KONG JEWELLERY & WATCH FAIR is from 3-7 Sep., which is followed by THE 20th BANGKOK GEMS & JEWELLERY FAIR from 10-13 Sep., so I assume many jewellers will be attending these shows.

In any case I will be returning to Beirut from the Far East around the 13th or the 14th of Sep., and God willing, will be able to catch a flight from Aleppo Syria, on Monday the 15th of Sep. Look forward to meet you and all the interested parties and hope that I can serve or be of some use. I am also very thrilled with the idea of seeing or visiting my "HAYRENİK" for the first time.

So, enclosed pls. find few names that I hope will be constructive and cooperative.

I wish you and Mr. Minister best of luck and lots of success on this First ever event, and if I can be of any service pls. do not hesitate to ask.

Sincerely

HAROUT MISSIRLIAN
